**The Chamber Music Society of Sacramento** was formed in 1987 to offer the highest quality performances and repertoire to audiences in the Sacramento region. Dedicated to featuring outstanding local talent, the organization also showcases internationally acclaimed artists. Aware of its educational responsibility, the Society is committed to bringing chamber music to schools, libraries, and retirement communities. It also sponsors annual chamber music workshops, providing an invaluable opportunity for the development of young artists.

Today, with a seven-concert season, and performances of each concert in intimate venues in Davis and Sacramento, the Chamber Music Society of Sacramento continues to deliver the highest-quality music and features a growing list of virtuoso players and soloists. Performances have received extremely enthusiastic responses from audiences throughout Northern California.
